

## ASK ME IN AN HOUR

Serena meets with Marcus Wright for the last time before his pending execution.

### SERENA

Marcus... How are you?

### MARCUS

Ask me in an hour.

Serena sits down on a stool

### SERENA

I wanted to try one last time.

### MARCUS

You should've stayed in San Francisco, Dr. Kogan.

### SERENA

You have a chance to be part of something wonderful. Through my research, you can have a second chance to live again.

### MARCUS

What makes you think I want a second chance? My brother and two cops are dead because of me... Ah, but I'm not the only one with a death sentence, am I? You think I can cure your cancer, Serena?

### SERENA

I'm not worried about myself. I'm worried about the future of the human race.

### MARCUS

I'll sell it to you.

### SERENA

For what?

### MARCUS

A kiss.

Serena nods hesitantly, Marcus grabs her face, kisses her. The guards take a step forward, however do not enter the cell, seeing that Serena doesn't resist.

### MARCUS (CONT.)

So that's what death tastes like.

Serena looks shocked, gets up.

Marcus rapidly signs the consent form.

Serena leaves the cell

### SERENA

You've done a very noble thing today, Marcus.

### MARCUS

I'm guilty. Just cut me up until there's nothing left.
